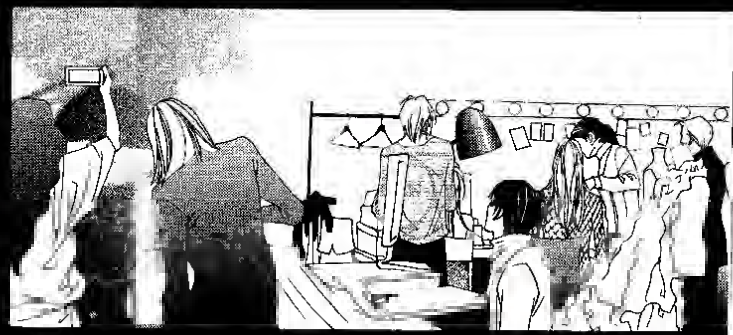
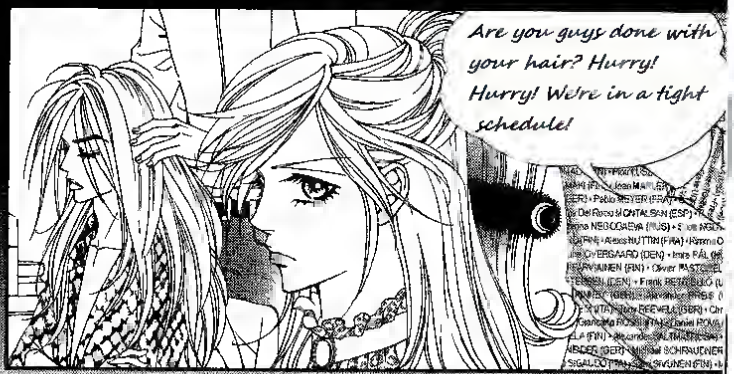
News!

《THE ONE獨領風騷》第13集熱賣中！

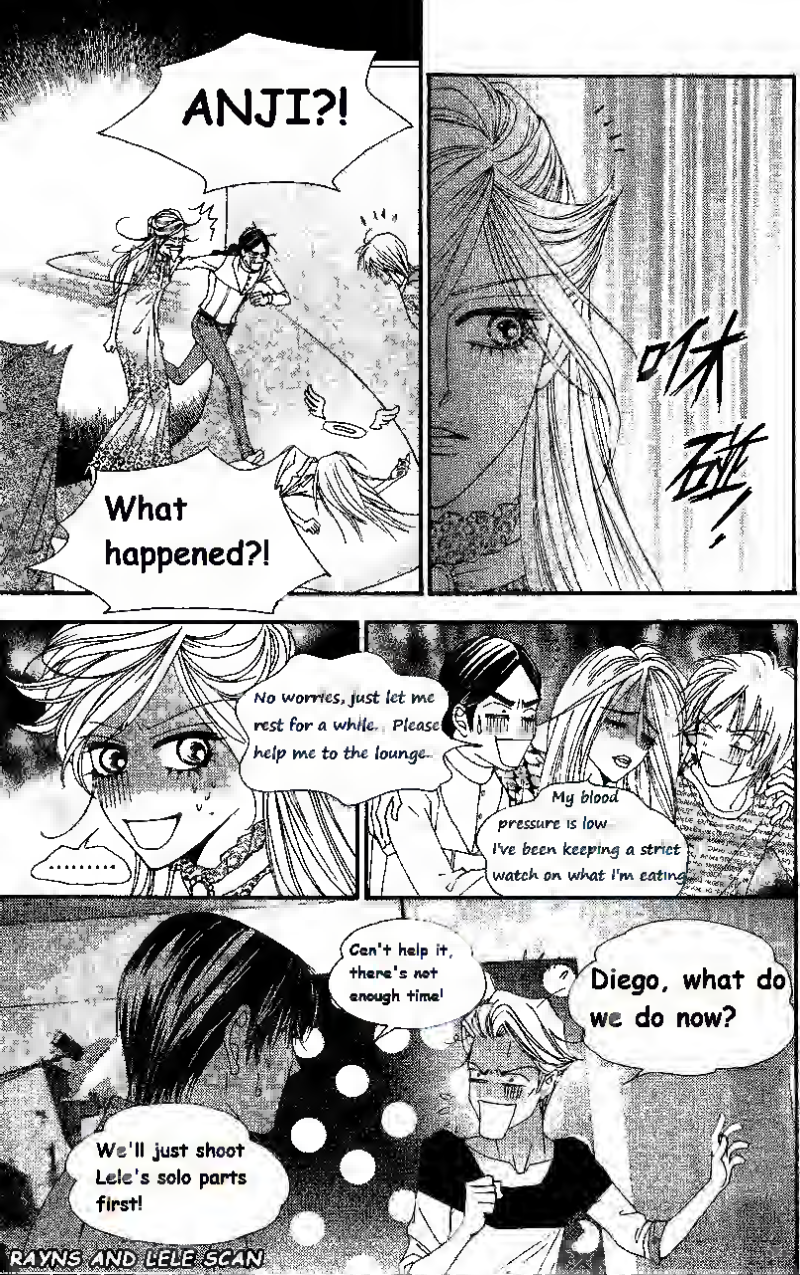
RAYNS INDIELE SCAN





But I still hope the shoot won't be even more difficult.....
Earlier, after what I said to Anji, he must be even more unhappy with me!

RAYNS AND LELE SCAN



ANJI?!
What happened?!
안돼!
No worries, just let me rest for a while. Please help me to the lounge.
.....
My blood pressure is low I've been keeping a strict watch on what I'm eating.
Diego, what do we do now?
Can't help it, there's not enough time!
We'll just shoot Lele's solo parts first!
RAYNS AND LELE SCAN

Initially I thought if it's a solo shoot, things should go smoother, but then the photographer...
Hm.....
There is no feeling in these photos at all!
.....

RAYNS AND LELE SCAN

The photoshoot has been going on for four, five hours, yet there is not one photo that the photographer is satisfied with
After my debut, this is the first time something like this has happened
Diego, let's take a break! The model is about to be burned!
It's fine! Let's continue!
We can't stop! Due to Anji, I already lost a lot of time. No matter what, we must progress today!
No problem!
Lele, can you take it for a little longer?
RAYNS AND LELE SCAN

Your emotions are stiff, relax!
Your body is too exaggerated!
I don't need this kind of look in your eye! Breathes
呼
So tired... My body is so hot!
I don't know what to do anymore.

RAYNS AND LELE SCAN

Hm...
You're too sensitive to the camera, you know what the correct pose is in regards to the time or place.
But I don't need this! The precision is whot's bod.
Anji may be a new model, but he is in his own rhythm, and it is why he, who has been completely ignoring the camera, is more natural.
Diego: And yet, your "natural" looks like it has been planned beforehand This I bet you didn't even know yourself did you?
!

RAYNS AND LELE SCAN

I.....

Am like this.....?

Like the precision of a machine?

Tasteless?

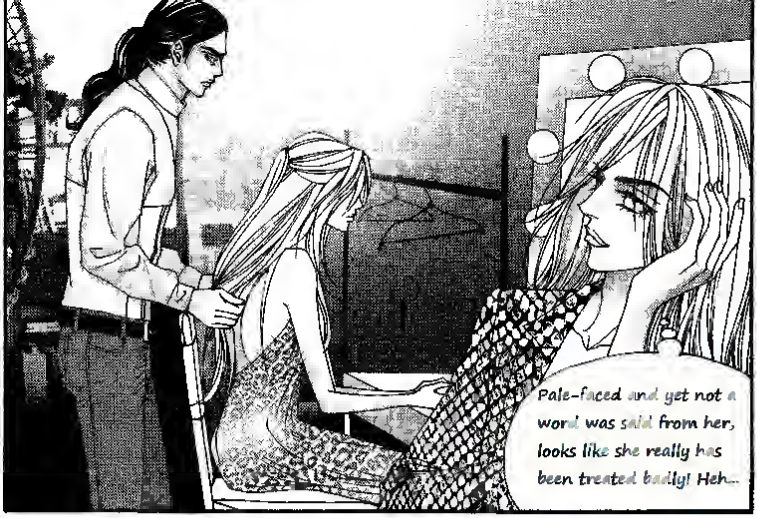
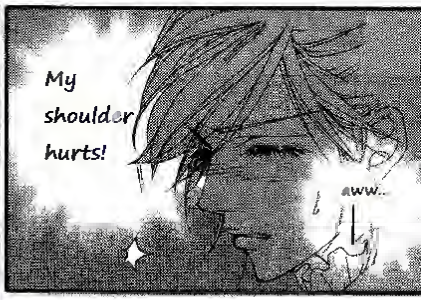
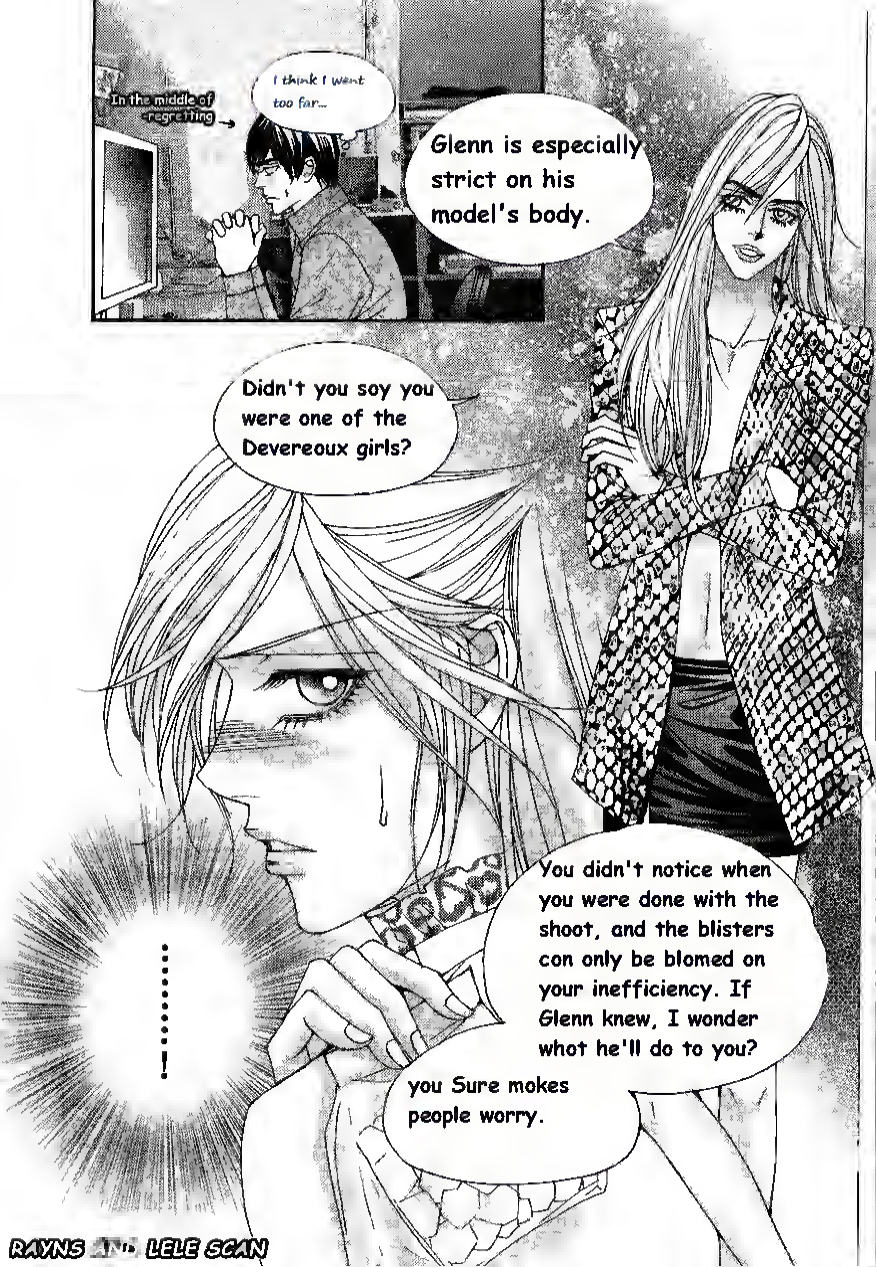
Very good! This unguarded look, a real expressive expression!
...And like this
The shoot continued for the whole day until sunset
Remember the reflexive feeling from just now!
We'll continue the shoot!

RAYNS AND LELE SCAN





RAYNS AND LELE SCAN



In the middle of regretting
I think I went too far...
Glenn is especially strict on his model's body.
Didn't you soy you were one of the Devereoux girls?
You didn't notice when you were done with the shoot, and the blisters con only be blomed on your inefficiency. If Glenn knew, I wonder whot he'll do to you?
you Sure mokes people worry.
.....!

RAYNS AND LELE SCAN

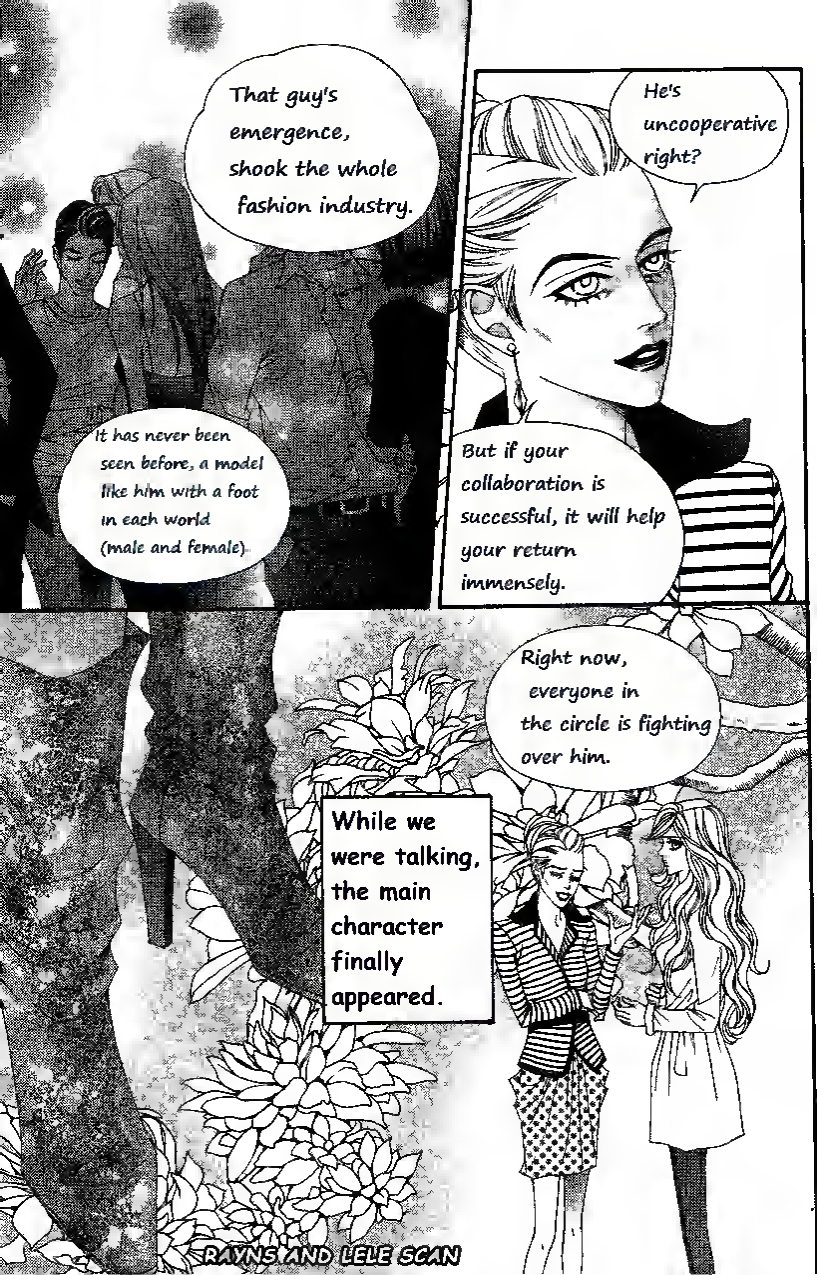
I can't, tonight there's a G.P. magazine party that I can't get out of.
I think if I ice it for a while, it'll be fine.
A model's body is an asset! It'll be bad if it left a scar!
Hurry and go to the hospital to get treatment!
.....
Today's photoshoot was too unreasonable, I have never seen.
It`s..
Even the hairdresser and the staff on the shoot feels that something isn't right
But, I won't back down from this.
You're too careless huh?
If it left a scar, it'll affect the shoot.
It's an accident, don't worry about it.
RAYNS AND LELE SCAN

Your low blood pressure makes people worry as well! Fainting occasionally is wasting everyone's time!
Of course, I can't be compared to you, as you are a precious gem in the palms of the designers!
But you need to be careful about dieting, if, by chance, you turned anorexic, it'll be a huge loss for the fashion world!
!?
In that kind of place, I wish you'd fix that temper of yours
.....!
Today's party, you're also invited aren't you?

RAYNS AND LELE SCAN

In all sorts of parties, it's the place where models, society celebrities, and fashion critics gather.
Hey~~ Lele!! Welcome to the Paris fashion circle
Long time no see, Sophia!
magazine director
You're getting more and more charming, you little thing!
I'm not a party animal, but, this is a part of socialization!
I heard you're partnering up with Anji, makes me anticipate the results!
News sure travel fast ...

RAYNS AND LELE SCAN



That guy's emergence, shook the whole fashion industry.
It has never been seen before, a model like him with a foot in each world (male and female).
He's uncooperative right?
But if your collaboration is successful, it will help your return immensely.
Right now, everyone in the circle is fighting over him.
While we were talking, the main character finally appeared.
RAYNS AND LELE SCAN

RAYNS AND LELE SCAN

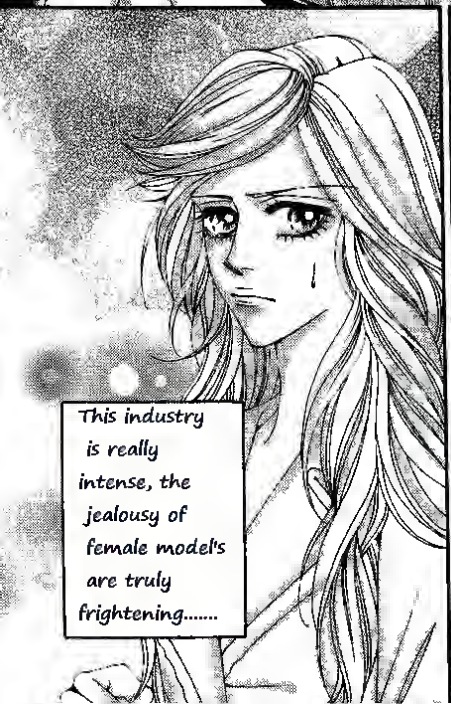
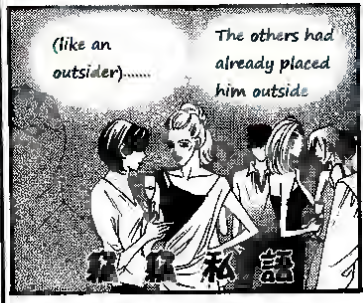
the second he stepped in, all the media immediately went up to him! Unable to decipher whether he's a male or female from his appearance and mannerisms, when compared to handsome man/beautiful woman, he is even more attractive. At the height of 186cm among female models, he is like a crane among chickens. And even though he is obviously male, even wearing female clothing, it doesn't look out of place at all
Hn... Even if he's a transgender, he still doesn't have the natural female charm.

RAYNS AND LELE SCAN

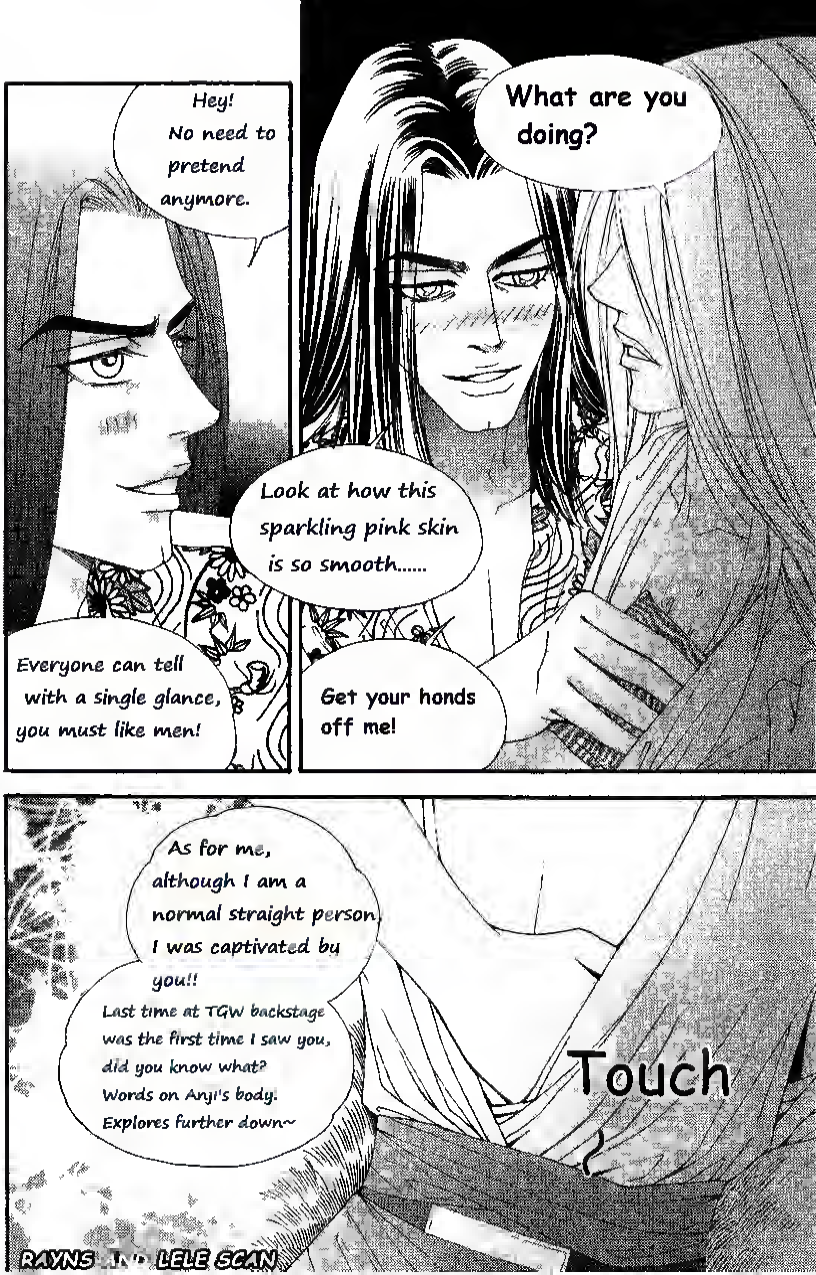




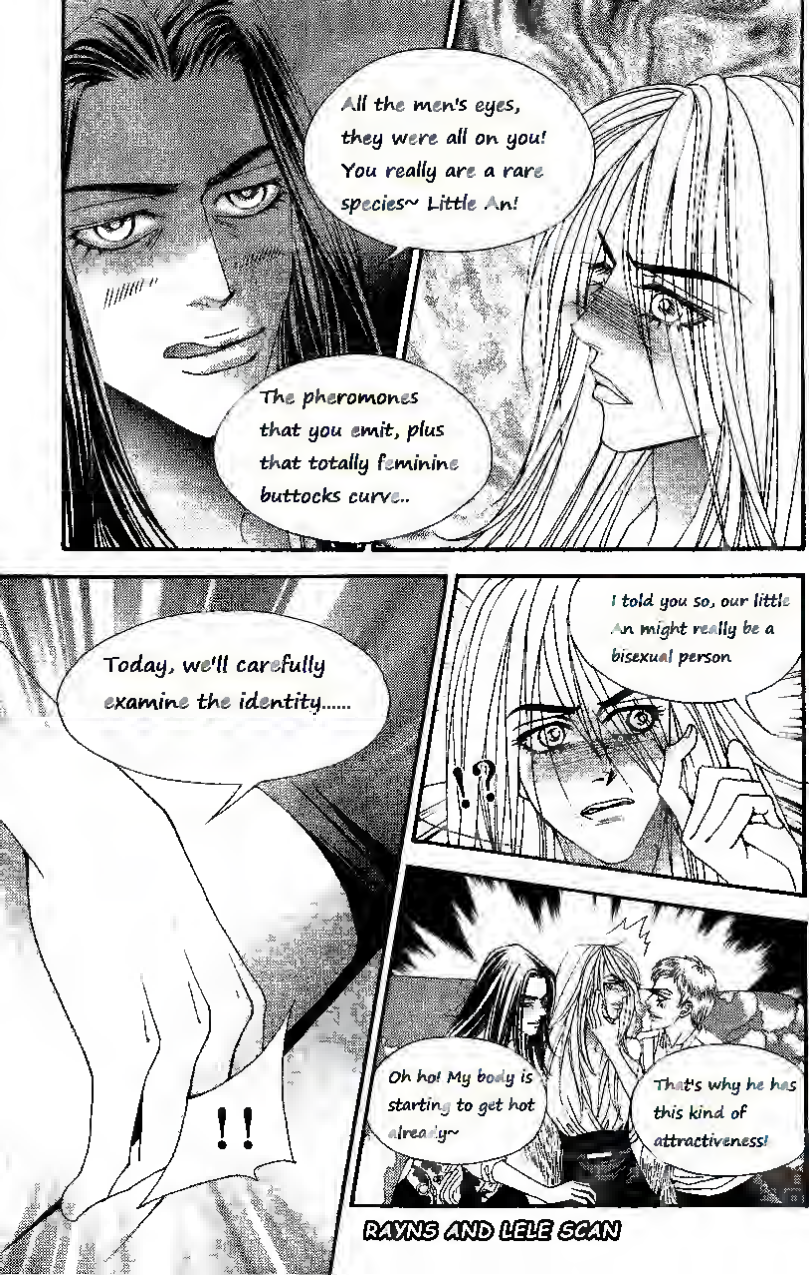
RAYNS AND LELE SCAN

RAYNS AND LELE SCAN

Eh! You're all wet! Anji baby~ ♡
That waitress earlier is too clumsy!
RAYNS AND LELE SCAN



What are you doing?
Hey! No need to pretend anymore.
Look at how this sparkling pink skin is so smooth.....
Everyone can tell with a single glance, you must like men!
Get your honds off me!
As for me, although I am a normal straight person I was captivated by you!!
Last time at TGW backstage was the first time I saw you, did you know what? Words on Anji's body. Explores further down~
Touch ~
RAYNS



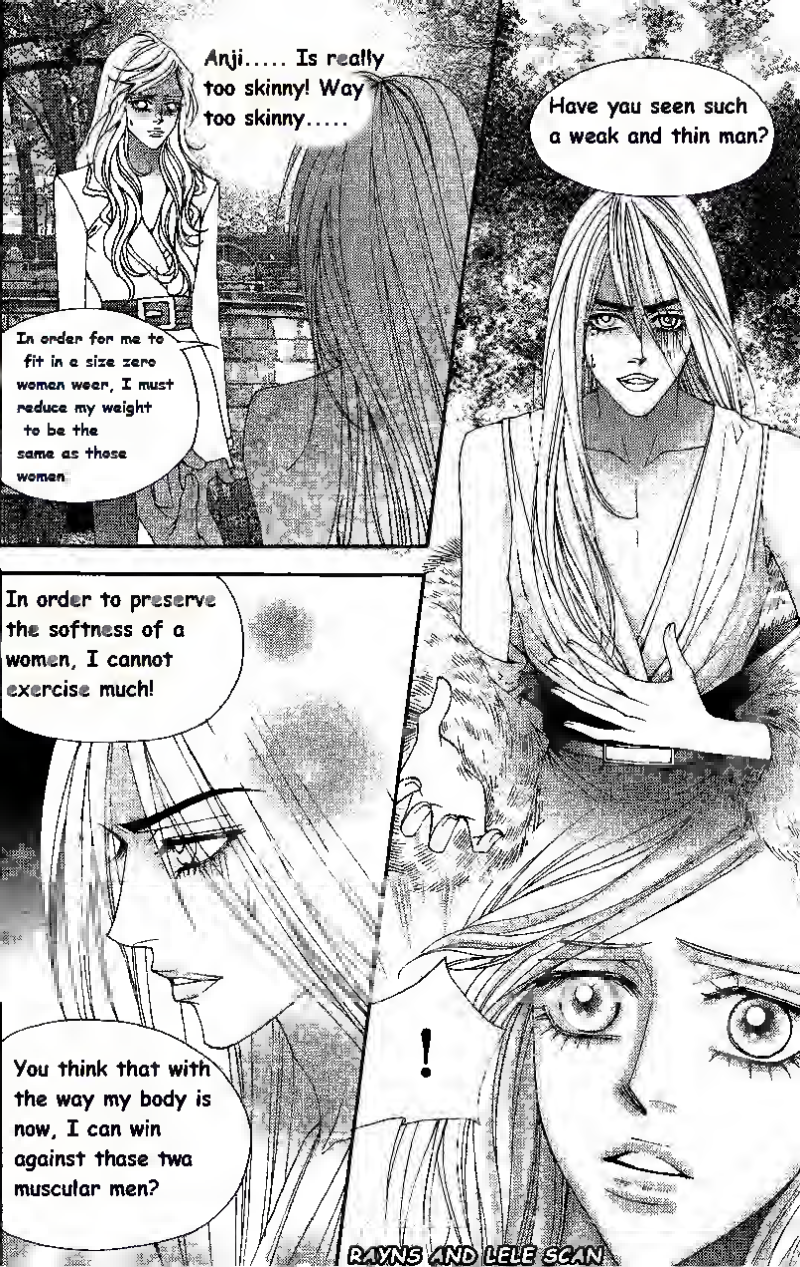
All the men's eyes, they were all on you! You really are a rare species~ Little An!
The pheromones that you emit, plus that totally feminine buttocks curve..
Today, we'll carefully examine the identity.....
!!
I told you so, our little An might really be a bisexual person
!?
Oh ho! My body is starting to get hot already~
That's why he has this kind of attractiveness!

RAYNS AND LELE SCAN

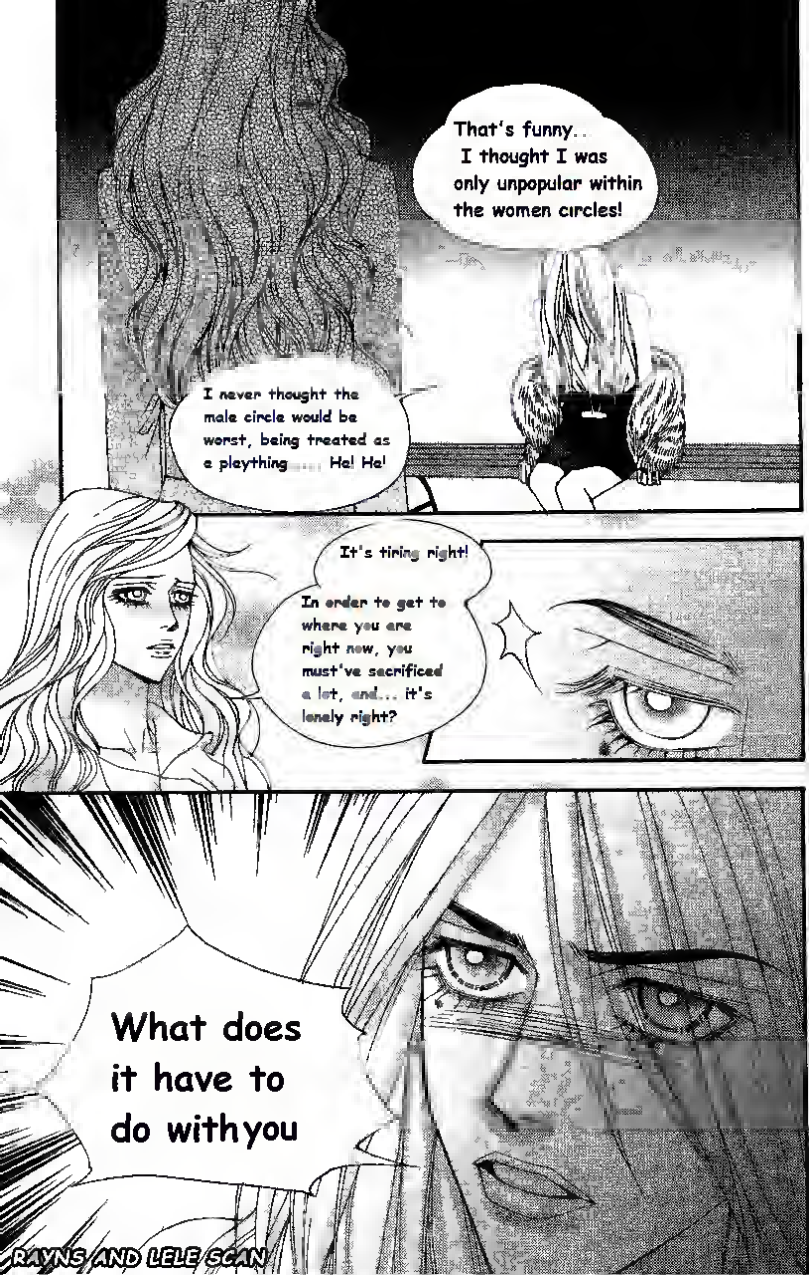
Your body was hot right? Here, let me help you guys cool down a bit!!
SPILLED
SPILLED
Shit!! What are you doing!?
Anji! Let's go!!
!!
RAYNS AND LELE SCAN

IDIOT!
Don't you know how to resist?
Even yelling could work!!
This is the first time something like this happened to me after a year of my debut, I was dazed....
What are you afraid of when you're so tall? Aren't you a man too!!

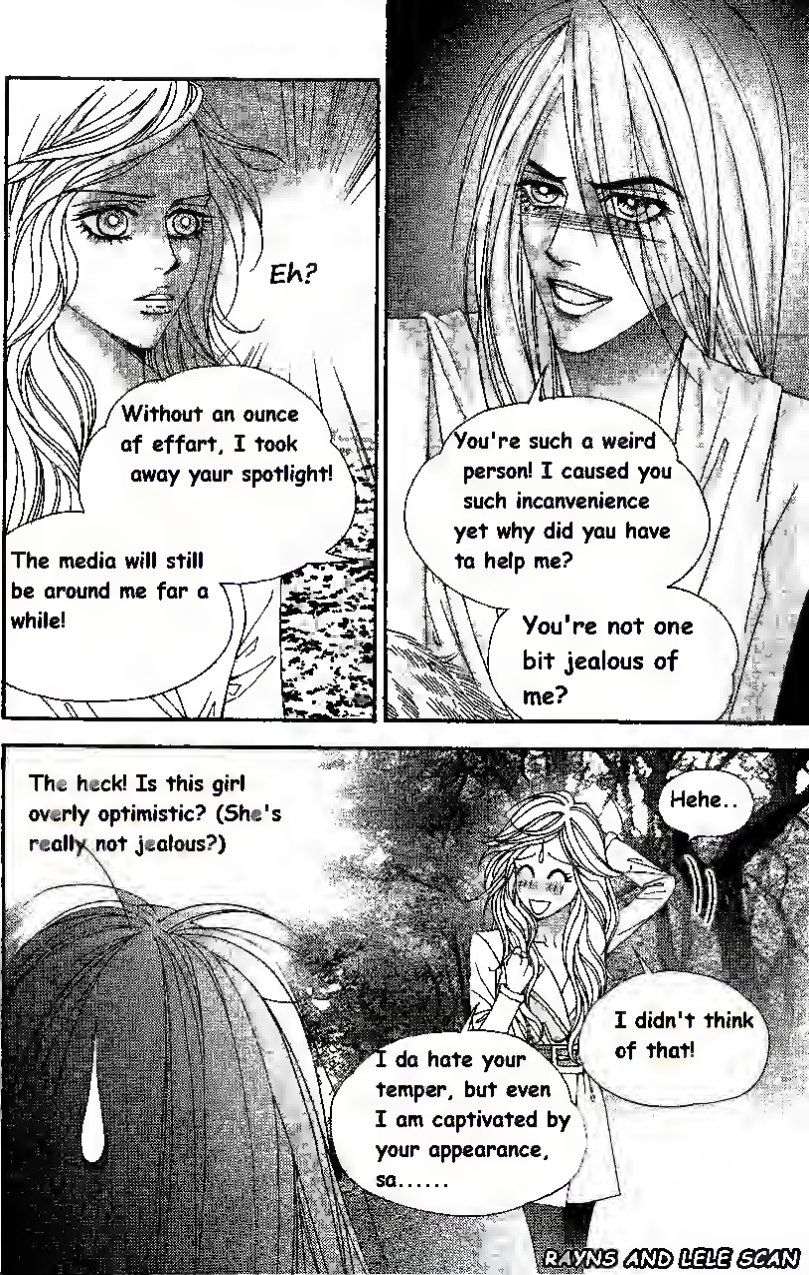
RAYNS AND LELE SCAN



Anji..... Is really too skinny! Way too skinny.....
In order for me to fit in a size zero women wear, I must reduce my weight to be the same as those women
Have yau seen such a weak and thin man?
In order to preserve the softness of a women, I cannot exercise much!
You think that with the way my body is now, I can win against thase twa muscular men?
!
RAYNS AND LELE SCAN



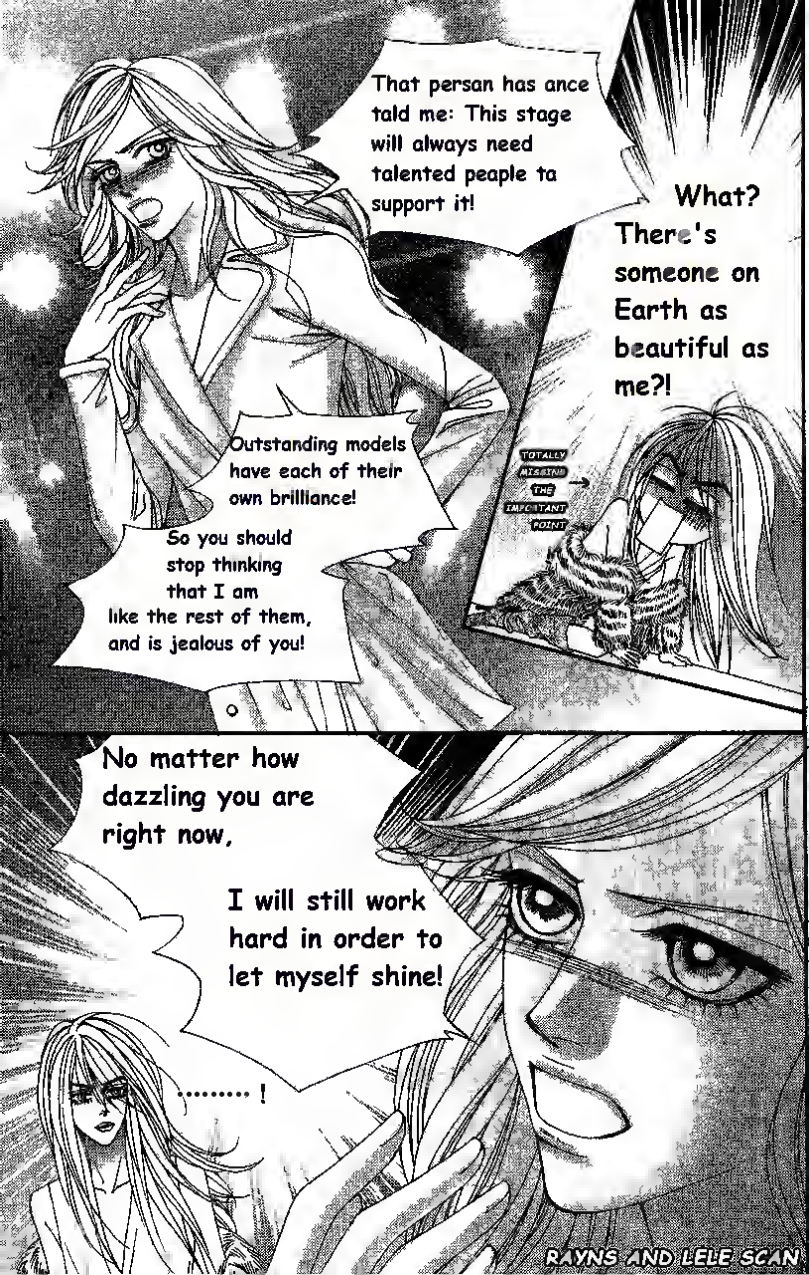
That's funny.. I thought I was only unpopular within the women circles!
I never thought the male circle would be worst, being treated as a plaything .... He! He!
It's tiring right!
In order to get to where you are right now, you must've sacrificed a lot, and... it's lonely right?
What does it have to do with you
RAYNS AND LELE SCAN



Eh?
Without an ounce af effart, I took away yaur spotlight!
The media will still be around me far a while!
You're such a weird person! I caused you such incanvenience yet why did yau have ta help me?
You're not one bit jealous of me?
The heck! Is this girl overly optimistic? (She's really not jealous?)
Hehe..
I didn't think of that!
I da hate your temper, but even I am captivated by your appearance, sa.....
RAYNS AND LELE SCAN

RAYNS AND LELE SCAN

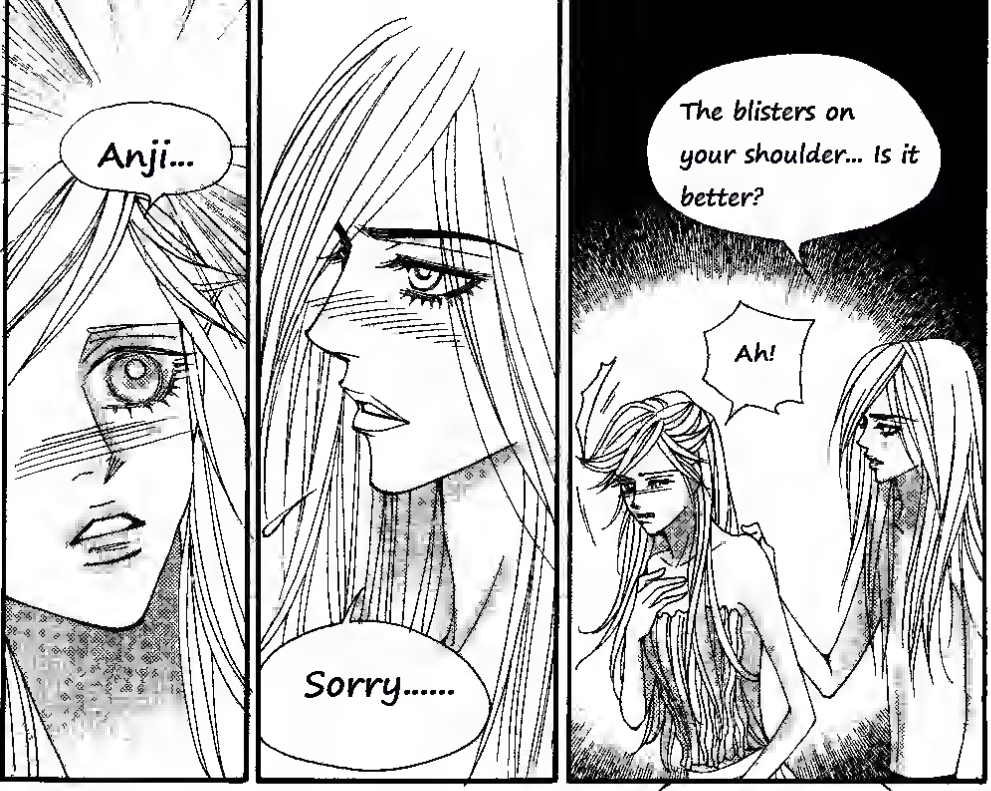
I CAN'T FALL IN LOVE WITH YOU, OKAY? IDIOT!
Therefore, loving me is a tragedy, hurry up and wake up, little clown!
Eh! To have a face like this , is a sin! Everyday, when I look in the mirror, I get so worried!
No other men is as handsome as me! No other women is as beautiful as me! Tell me, how can I love others?
Why can't you fall in love with me? And you even called me an idiot? Why?
Because I already have someone I super duper love!
I just want to be partners with you!! OK?
RAYNS AND LELE SCAN



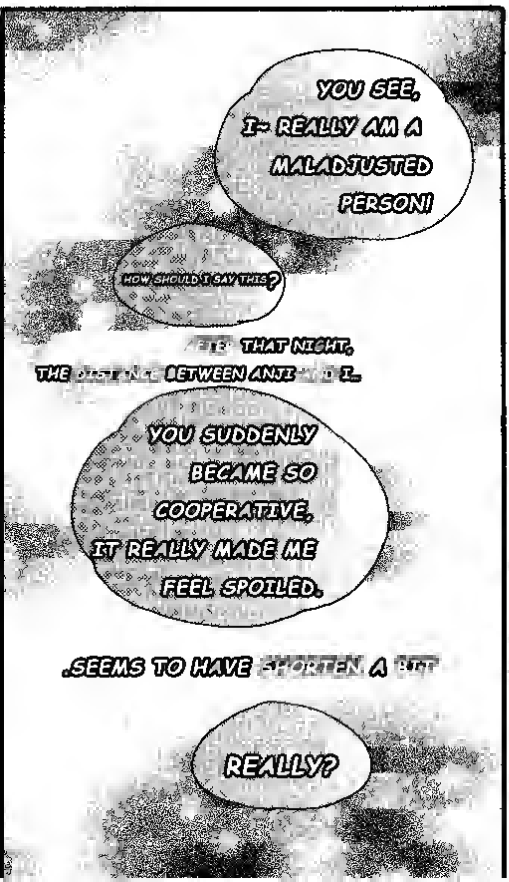
That persan has ance tald me: This stage will always need talented peaple ta support it!
What? There's someone on Earth as beautiful as me?!
TOTALLY MISSING THE IMPORTANT POINT
Outstanding models have each of their own brilliance!
So you should stop thinking that I am like the rest of them, and is jealous of you!
No matter how dazzling you are right now,
I will still work hard in order to let myself shine!
..... !
RAYNS AND LELE SCAN

RAYNS AND LELE SCAN

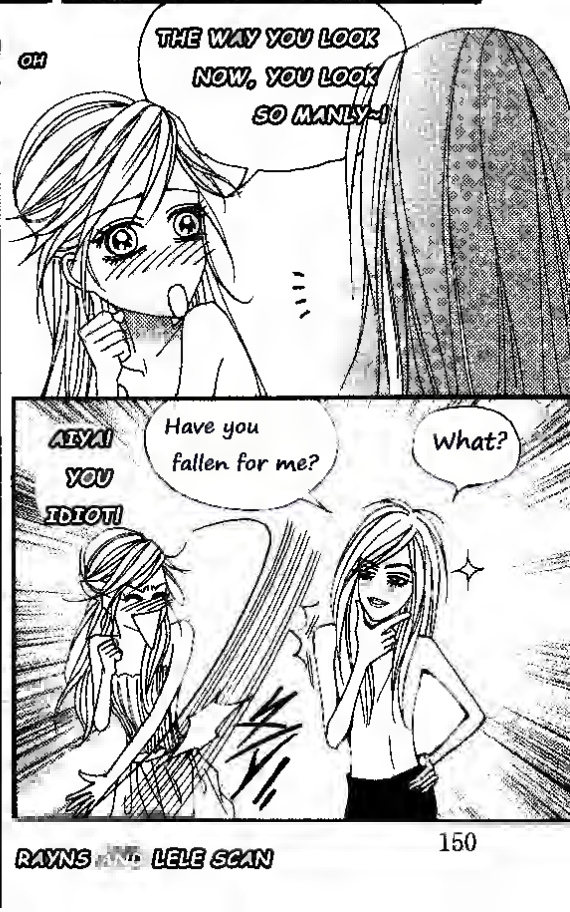
Anji! Thank you!
Anji, you finally let us take good pictures!
This time, I don't need to worry about getting yelled at by master Glenn!!
You're awesome!
This idiot's smile...
No matter how dazzling you are right now, I will still work hard in order to let myself shine!
WILL IT BE ALWAYS FULL OF ENERGY?
RAYNS AND LELE SCAN



Anji...
Sorry.....
The blisters on your shoulder... Is it better?
Ah!



YOU SEE, I- REALLY AM A MALADJUSTED PERSON!
HOW SHOULD I SAY THIS?
THAT NIGHT,
YOU SUDDENLY BECAME SO COOPERATIVE, IT REALLY MADE ME FEEL SPOILED.
REALLY?



OH
THE WAY YOU LOOK NOW, YOU LOOK SO MANLY~!
AIYA! YOU IDIOT!
Have you fallen for me?
What?

Why didn't you ask me why I was so uncooperative and unwilling ta wark with the models befare?
That's your secret right?
Correct!
But if it's you who ask me, I will tell you!
!?
